Hello, my name is

Gandes Apriliawati

Hello, I’m Gandes Apriliawati, a Management graduate from Persada Indonesia Y.A.I University with a strong interest in marketing, brand communication, and content creation. I gained hands-on experience through a project-based internship at PT Martina Berto Tbk, where I conducted consumer research and supported marketing initiatives. I also developed my communication, leadership, and public relations skills through student organizations and as an MC for faculty events.

Through this portfolio, I’m excited to showcase my experiences, projects, and contributions that reflect my passion for marketing, creativity, and continuous learning.
